

HISTORIC CHURCH OF SAINT PATRICK PRESENTS:

Jeff Cavin's 24-Week Bible Studies

PAT THOMPSON: The 24 week series was a big commitment, but I wanted to learn more about the Bible. I am glad I did. I have met

some wonderful people on the same journey.

The Sunday readings mean so much more to me now and Jeff Cavin's does a wonderful job of taking someone who knows little and enriching my understanding of the Bible.

LINDA MILLER: I was new to Historic Church of Saint Patrick, and was a bit nervous because I didn't know anyone here really, but I took the plunge and signed up for the Jeff Cavin's Bible Study last fall. As usually happens in this parish, everyone treated me as though they had known me for a long time. I am a cradle Catholic and have always wanted to study the Bible.

Each week of classes was jam-packed with information and great give and take discussions. The video at the end of the meeting tied everything together and got us ready for the next week. I highly recommend any Jeff Cavin's study sessions. Even better classes are held right here in the church.

MARTY LAHEY: I thoroughly enjoyed Bible Study last winter! Even at the end of a long day at work, I always looked forward to getting together with the group. The materials we worked with, plus the video with Jeff were awesome. I especially liked the whole "timeline" approach, as I have personally always been interested in placing the Bible in its proper historical context.

Probably the best part was the interaction with group members. Our discussions were lively, and I felt as though I got to know my church community a lot better. About the only negative I can think of, is that not all group members had good attendance, making it harder to really get to know them better.

I am really looking forward to the "Matthew Series"!
