The Catholic Campaign for Human Development (CCHD) was founded in 1970 by the Catholic bishops of the United States as their domestic anti-poverty program. Designed to address the policies and structures that perpetuate poverty to create sustainable solutions, CCHD empowers poor and marginalized people to join together and make decisions to improve their lives and neighborhoods.

For example, with your support of the Catholic Campaign for Human Development, El Pájaro Community Development Corporation (CDC) is empowering Latino and Spanish-speaking entrepreneurs like Marleny. Marleny came to the United States from El Salvador, escaping violence and an unsafe

situation. She had a dream to start a pupuseria restaurant and to serve traditional Salvadoran food and support her family. She entered the Business Education and Loan Program at El Pájaro CDC and in October 2014 opened Pupuseria Marleny's. With the support and education she received, her business has been so successful that she has already opened a second restaurant. The restaurants have allowed Marleny to provide gainful employment to five new workers and help revitalize her community.
