Dear People of God,

I was informed the other day that an old theory of parish is alive and well. It goes like this: The parish belongs to the people. Well, as a matter of fact, no, it doesn't. The people belong to the parish and in the Catholic Church, the parish has its own personality with rights and obligations just like those of any other person in the Church. This mistaken notion that the parish belongs to the people has its roots in early Americana (prior to 1917) when the United States was officially considered a mission country.

By 1803 several dioceses were establishing the pioneer necessity of a local community building a church and inviting a foreign priest to come serve as pastor. In Ohio the private ownership of a parish was ended by Archbishop Jean Baptist Purcell who, on behalf of the entire Province, took over ownership of church property which was falling into bankruptcy and foreclosure.

Here in Northwest Ohio the few privately owned parishes (none in Toledo) were among the first parishes closed by the newly appointed Bishop Joseph Schrembs who discovered they no longer had congregations. If you bought a Centenary History, you can look up those early closings in places like Toussaint, McCutchenville and others. The "owners" had simply moved on and left empty buildings behind.

By the 1840's when Cleveland was created as a diocese (Toledo was included), the founding of all parishes was at the will of the bishop who discerned a need and responded to it. The Irish immigrants coming to the Toledo area were unwelcome at older parishes, in large part because those older parishes did not speak English. Thus, in 1863, the bishop created an Irish parish in Toledo and five years later, created a second: these were St. Patrick's and Immaculate Conception. Neither ever belonged to the people — the Irish belonged to them.

As such, a parish is like any other institution which exists to provide a service and its members are not all that dissimilar to the members of a club, a spa, a political party, the K of C and a host of others. Of course, a parish exists to provide spiritual services and other services which the pastor or people see as beneficial to the spiritual welfare of the members or the surrounding community.

The parish maintains a "membership list," but because it's a church, not a club, membership extends to (1) all Catholics who reside in the defined territory created by the bishop and (2) all transient Catholics who happen to be in the territory and who need or want the spiritual services of the parish. The parish has an obligation to these two groups and a responsibility to do its best to serve the spiritual needs of other Christians and all who live in the territory. Parish registration exists to allow non-territorial Catholics to become members and belong to the parish.

For those who believe they should own the parish, I would invite you to go to the Polish National Church in Temperance (Resurrection, located at 1835 W. Temperance Rd.) The parish there belongs to the members, not the larger church. In Toledo all parishes currently belong to the bishop and in canon law, to the parish itself represented by the duly appointed pastor who exercises sole authority for its proper management. Here at St. Patrick's, the pastor is blessed with the assistance of various individuals, boards and committees in that management.

Fr. Chris

### ***The Celebration of Sacraments***

**Infant Baptism:** The Sacrament of Baptism is regularly celebrated on Sunday during or after the Eucharistic Liturgy. Registered parishioners are asked to arrange for the Baptismal Preparation Class and the Liturgical Celebration by calling the Parish Office.

**Rite of Christian Initiation of Adults:** RCIA is the process of growing in your faith and love of God. Weekly gatherings take place from September until Easter. If you are interested in learning about Catholicism and joining us please call Deacon Tom at the rectory.

**Penance:** The Sacrament of Penance is celebrated at 3:30 p.m. on Saturday at IC, 9:30 a.m. at HSP and 10:30 a.m. IC every Sunday or by appointment.

**Matrimony:** Anyone planning to be married must contact the parish at least six months in advance. The exact date and time of your wedding should not be determined until after consultation with a priest or deacon. If either party has previously been civilly or religiously married, the Presider is not permitted to set a date for the wedding without resolving the previous marriage.

**Pastoral Care of the Sick:** When a parishioner is admitted to the hospital, nursing home, or confined to home because of age or infirmity, please call the Parish Office. Parishioners are ready to visit and to bring Holy Communion. When one is seriously ill, the healing Presence of the Lord should be requested in the Sacrament of the Sick.

**In the event that you are in need of a priest or deacon and there is no one in the office:** Please try the emergency number at 419-243-6031 or call Deacon Tom on his cell phone at 567-686-4167 and leave a message with your phone number and he will return your call as soon as possible.

### Welcome Visitors

We would like to welcome our visitors to Historic St. Patrick. If you are interested in becoming a parishioner, please call the parish office at 419-243-6452 or fill out the registration forms in the back of church or on the web-site and return to the parish office.

Have mercy on me, God, in accord with your merciful love.  
 In your abundant compassion blot out my transgressions.  
 Thoroughly wash away my guilt;  
 And from my sin cleanse me. . . .  
 Turn away your face from my sins;  
 Blot out all my iniquities.  
 A clean heart create for me, God;  
 Renew within me a steadfast spirit.  
 Do not drive me from before your face, nor take from me your holy spirit.  
 Restore to me the gladness of your salvation:  
 Uphold me with a willing spirit.
