Many people want to read the Bible because they know it is God's Word, but they give up because it seems so complicated. *Unlocking the Mystery of the Bible* helps you to get the "big picture" of the Bible by showing how fourteen narrative books of the Bible tell the complete story from Adam and Eve to Christ and the Church.

“I never would have read the Bible if it wasn't for this, and now I simply adore Scripture. It has given me such insight into the Catholic faith and helps me to understand its true beauty.”
