St. Joseph

Faithful Protector of Mother and Child

The infant Christ “came into our world in a state of great vulnerability. He needed to be defended, protected, cared for and raised by Joseph” (PC 5). The humble and often hidden carpenter of Nazareth accompanied Mary in her pregnancy, assisted at the birth of the Messiah in a stable, presented Jesus in the Temple, fled with his family far from their homeland to protect them, and lovingly raised Jesus as his own son in the years to come.

While the angel of the Lord appeared to Mary to announce that she would bring forth the Savior of the world, it was revealed to Joseph in a series of dreams how God’s plans would be brought to fulfillment. As Pope Francis highlights, “God trusted Joseph, as did Mary, who found in him someone who would not only save her life, but would always provide for her and her child” (PC 5).

Dear St. Joseph,
help us to
imitate your
faithful trust and
courage.

Like every other human family, the Holy Family had to confront real and concrete challenges. Yet, “in every situation, Joseph declared his own ‘fiat’” (PC 3). His “yes” to the Lord meant that regardless of the hardship and personal sacrifice to himself, he consistently chose to put the needs of Mary and Jesus before his own. Joseph’s devotion helps reveal to us our own call to show special care for the lives of those whom God has entrusted to us.

During this Year of St. Joseph, each of us can find in him “an intercessor, a support and a guide in times of trouble” (PC, Intro). Joseph shows us how to say “yes” to life, despite our own fears, frailties, and weaknesses. For it is Joseph who was “chosen by God to guide the beginnings of the history of redemption. He was the true ‘miracle’ by which God saves the child and his mother” (PC 5).

May we, too, be miracles in the lives of those who are most in need, especially at the beginning and end of life. Dear St. Joseph, you who were “able to turn a problem into a possibility by trusting always in divine providence” (PC 5), help us to imitate your faithful trust and courage.

WATCH CLARE AND FRANCIS

This outstanding movie is unique among films about St. Francis because of the historical accuracy of the story and its authentic spirit of joy and piety so characteristic of Francis, as well as the major role played by Clare, who is given equal stature with him. Both found major religious orders, and together they inspire many to follow their radical call to live the Gospel. Their impact has reached across the centuries to change the world.
