Dear People of God,

I've done a couple of letters about non-Catholic influences in the Church and want to continue on with that topic one more weekend, although not to comment on what we've drawn into the Church from someplace else but to comment on what getting hot and bothered about influences can lead to: Schism. Simply put, *schism* is the division of the faithful by those who defect from the true faith. It's nothing new and is usually the result of somebody, or a group of somebodies, who get all hot and bothered about something in the Church they don't like or with which they don't agree and who walk away to start up their own version of "the one true Church" or who picket outside the front doors warning that anyone who goes in is entering the Halls of Doom and Destruction (There were people wearing black arms bands at the rededication of the Cathedral doing just that).

Pope Francis recently hinted that there might be a contemporary schism happening when he tightened up on the rules and regulations of the traditional or Tridentine Mass. He told us that there's nothing wrong with celebrating the traditional Mass. I wrote earlier this year that this Tridentine Mass is not the *Tridentine* Mass dating back to the 1570's because subsequent popes changed the format of the Missal from time to time (beginning in 1604) to remove of a lot of "stuff" that had accumulated from non-Catholic sources or to add innumerable feast days; for example, St. Christopher was added to the Feast of St. James, 25 July, because there was no room elsewhere! It was removed only centuries later by a subsequent pope's revision of the Missal.

The Tridentine Mass is more properly referred to as the Mass of St. John XXIII; however, those celebrating this mass must also give full faith and adherence to the Teaching Magisterium of the Church (II Vatican Council's documents.) It's not uncommon that traditional Catholics inveigh against II Vatican Council, attacking the documents approved by nearly 2000 bishops in assembly with the Holy Father during that Council, especially the vernacular Mass, and go so far as to deny the efficacy of the Eucharist consecrated at an English Mass. That's a good example of schism because people who think they know better than two thousand bishops decided to do it their own way regardless of official Church teaching. Pope Francis wanted to make it clear that there is one Catholic Church and everybody, regardless of which language they use to celebrate Mass, should believe what the Church teaches about the host of all its issues.

Of course, there have been schismatic movements from the very beginning and no doubt, given human nature, there will be more in the future because some people are never satisfied until things go their way. As Catholics, we pledge each week to do things God's way, not ours. That calls for us to give our full attention and adherence to the voice of the Teaching Magisterium because that's where the Holy Spirit tells us the truth will be found in the broader context of the community of faith. That calls for the humility to become part of the community and do less complaining about the community so that the community can celebrate as one.

Msgr. Chris

### **The Celebration of Sacraments**

**Infant Baptism:** The Sacrament of Baptism is regularly celebrated on Sunday during or after the Eucharistic Liturgy. Registered parishioners are asked to arrange for the Baptismal Preparation Class and the Liturgical Celebration by calling the Parish Office.

**Rite of Christian Initiation of Adults:** RCIA is the process of growing in your faith and love of God. Weekly gatherings take place from September until Easter. If you are interested in learning about Catholicism and joining us please call Deacon Tom at the rectory.

**Penance:** The Sacrament of Penance is celebrated at 3:30 p.m. on Saturday at IC, 9:30 a.m. at HSP and 10:30 a.m. IC every Sunday or by appointment.

**Matrimony:** Anyone planning to be married must contact the parish at least six months in advance. The exact date and time of your wedding should not be determined until after consultation with a priest or deacon. If either party has previously been civilly or religiously married, the Presider is not permitted to set a date for the wedding without resolving the previous marriage.

**Pastoral Care of the Sick:** When a parishioner is admitted to the hospital, nursing home, or confined to home because of age or infirmity, please call the Parish Office. Parishioners are ready to visit and to bring Holy Communion. When one is seriously ill, the healing Presence of the Lord should be requested in the Sacrament of the Sick.

**In the event that you are in need of a priest or deacon and there is no one in the office:** Please try the emergency number at 419-243-6031 or call Deacon Tom on his cell phone at 419-984-0082 and leave a message with your phone number and he will return your call as soon as possible.

### Welcome Visitors

### Salvation History #9 The Early Church

The disciples, as they had been instructed by Jesus, went out to spread his Gospel message. They found and adversary in Saul, whose mission was to destroy the new religion. But Saul had a life-changing experience in which he heard the voice of God. He became Paul, a Christian and a tireless preacher. Paul and many of the other disciples were eventually put to death. But not before the new faith had taken root in the hearts of people all over the known world.

## Parish/Community Activities!

### To the Parishioners and Friends of the Historic Church of St. Patrick

Over the weekend we will be making a transition at the keyboard of our enhanced Kilgen pipe organ.

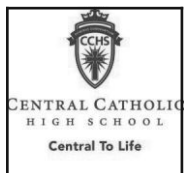

Since Terry Brassell retired late in 2018 our liturgies have been led under the direction of Daniel Button, a gifted master of the organ whose training is in the area of Catholic liturgical music. He is now planning to make a major move to Florida where he has been building a home. We offer him thanks for his time with us and blessings as he pursues his career in warmer climates.

To take up the duties of our liturgies we have hired Eric Hite who is currently the Liturgical Coordinator at St. Anthony parish in Lambertville. Eric will continue in that position while adding our 10:00 am service to his schedule. Eric is a familiar presence here at St. Patrick's having provided music for funerals and weddings in the past. Please make Eric welcome and perhaps consider joining the choir to make our Masses even more magnificent.

### Central Catholic Open House Sunday, November 14

Central Catholic High School's annual Open House is Sunday, November 14 from 12:00 to 3:00 p.m.

Families are invited to tour the school, visit classrooms, meet teachers and coaches, explore all of our programs, and learn about scholarships and financial aid options.

Central Catholic is located at 2550 Cherry Street in Toledo. Please call 419-255-2280 or email [admissions@centralcatholic.org](mailto:admissions@centralcatholic.org) for more information.

Due to the requirements of their jobs, thousands of our First Responders have contracted COVID 19 during the worldwide pandemic. Several hundred have died-an average of nearly 1 per day in 2020- and others continue to add to that devastating toll as a result of medical complications from contracting the virus on duty. They have given their lives for us as surely as a firefighter who dies responding to a fire or a police officer who is shot while apprehending a criminal.

Please keep in prayer the First Responders who have given their lives to keep us safe, and their grieving families and departments.
