CATHOLIC CAMPAIGN FOR HUMAN DEVELOPMENT WORKING ON THE MARGINS

- **LEARN** about those living in poverty.
- **ACT** and spread the word about poverty by sharing this flier.
- **CONNECT** with the work of CCHD by supporting the collection.
 - **PRAY** for those who benefit from this collection.

We all depend on workers in America's meat-processing plants and animal-feeding operations, who are essential to the food supply chain. Many of them are immigrants facing language barriers that leave them at a disadvantage when they advocate for safe working conditions, just wages, and fair treatment from employers. The Rural Community Workers Alliance (RCWA) in Missouri helps these essential workers by advocating on their behalf for safe working conditions and by promoting gatherings to address racial divisions in the community as a way to help immigrants and nonimmigrants discover similarities and share their experiences.

The COVID-19 pandemic revealed working conditions at a pork-processing plant that placed workers at risk of infection due to shoulder-to-shoulder work areas and a lack of protective gear. Workers brought their concerns to RCWA and ultimately filed a lawsuit demanding that the company follow health and safety guidelines established by the federal government. Even before the court ruled

on the lawsuit, the company took action to protect workers by installing protective barriers, sanitizing stations, providing masks, and conducting temperature checks. When you support CCHD's mission of working on the margins, you help groups such as RCWA advocate for the health and safety of the essential workers that we all depend upon.
