***Christine Marker – Co- teaches the children preparing for
First Reconciliation & First Communion***

Christine Marker and her husband Jon have been a part of the parish since 2012. They were married here at St. Pat's and all three of their children were baptized here as well. This year, their oldest child is preparing to make her first reconciliation and first communion!

Christine taught kindergarten at All Saints Catholic School for many years and was excited to offer her assistance to St. Pat's this year in the Religious Education program. She is happy to be here and looks forward to celebrating both Reconciliation and First Communion with the students this year.

Jeff and Lisa Kelley

***Co-teach the children preparing for First Reconciliation
& First Communion***

Lisa is a Personal Banker with KeyBank and Jeff is an Information Services Supervisor at Blanchard Valley Health System. They have 3 Daughters and 3 Grandchildren. They reside in Monclova, and enjoy any activity that involves the outdoors. Hiking, biking, camping with friends and family are a few of the main activities they attempt to make the most of, especially if it involves bringing the grand kids along. They have been parishioners at St Patrick's Historic for nearly 15 years. They cherish the fellowship and the community that St. Pat's has offered them over the years and enjoy contributing by whatever means to the success of the church. Lisa and Jeff discussed how they could become more involved in such a way that would reciprocate all the many gifts they've received and that have had such an influence within their lives, during some of the most challenging as well as the most rewarding moments. These mostly instigated by our relationship with St Pat's and the parishioners within. Influenced by the Bible study classes and active faith study groups that they've participated in, they decided the best way to show their gratitude is to become involve with the children, as they are the key to the future of the church. They hope to provide some inspiration to them to seek out a long lasting companionship with GOD and learn of the sacraments of the Catholic Church. They especially look forward to being involved with the CCD program for years to come.

Emily Brown

Teaches Confirmation Sacramental Preparation

Emily Brown has been attending St. Patrick's Cathedral since her move to Toledo in November of 2019. She was born and raised in Houston, TX and went to Stephen F. Austin State University where she received her degrees in Radio/ TV and Public Communications. Her faith was transformed her sophomore year of HS while attending confirmation class at St. Justin Martyr's Catholic Church in Houston. Her teacher's relatability and deep belief in the works and miracles of God is what opened her eyes and heart to the importance and wonders of the Catholic faith. She, in turn, hopes to instill those same values in today's young Catholic leaders and is very fortunate to have the opportunity to do so here at St. Patrick's Cathedral. She extends her prayers to the catechists and students on this special spiritual journey! Emily teaches the children preparing for Confirmation.
