Looking at the Liturgy Committee

Led by Pat Thompson there is a group of parishioners who are committed to bringing a greater connection of the parish with our Catholic liturgy. The Liturgy Committee looks at the seasons of the Church to help focus attention on special aspects of the Mass or the time of the year.

Although it seems far away, Liturgy Committee is planning for the season of Advent. The goal this year is to prayerfully focus on four of the O Antiphons during the weeks of preparation for Christmas.

Music, decorations and special content will help parishioners study an important and often forgotten part of Catholic ritual during Advent. Look for more information and opportunities to participate in the upcoming months.

The Liturgy Committee also helps plan and assist with the special liturgies at the Historic Church of Saint Patrick during the year. The Firefighter's Mass in September, the White Mass in October, St. Patrick's Mass in March and the Blue Mass in May are important to the parish and require special attention to detail.

For anyone interested in being part of the Liturgy Committee, absolutely no liturgical background is required – the members are all learning as we grow in faith together. Come and join the committee and offer your special skills where they are needed most.

The ritual and focus of Mass is our direct contact with our loving Father. It is a blessing to have so many ways to better understand God's will and Jesus' sacrifice.

Did you know the Liturgy Committee ...

- has Tom Farrell and Mary Kay Belcher write the petitions every Sunday and for the special Masses?
- decided to move the acolytes in front of the tabernacle to make more space for the Eucharistic Ministers on the altar?
- provides lectors for Wednesday night Masses?
- plans to have monthly memorials on the second and fourth Wednesdays for deceased police and firefighters beginning in August?

COMPANIONS IN SHIPWRECK

Good relationships are a vital part of human well-being. In fact, studies show that those with the healthiest relationships live the longest! But where can we see these friendships lived out? Look no further than the life of famed author J.R.R. Tolkien. The relationships he exhibited are a wonderful example for all of us to follow, especially with those we may disagree with. As Tolkien described marriage, it's all about being "companions in shipwreck."

A BIBLE STUDY ON THE LUMINOUS MYSTERIES: THE TRANSFIGURATION

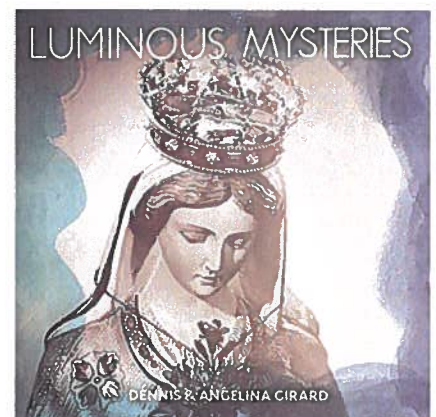

This week we celebrate the feast of the Transfiguration, the mountaintop manifestation of Christ's glory that we read about in the Gospel. As we recall this wondrous event, however, many questions might come to mind. Why did Moses and Elijah appear? Why did Jesus only bring Peter, James, and John? Hear the answers to these questions and more in this episode of

LUMINOUS MYSTERIES

The Transfiguration is part of the Luminous Mysteries, which were introduced to the Church in 2002 by St. John Paul II. These mysteries recall events that demonstrate the light of Christ during his public ministry. On this feast day, let us ponder this miraculous episode of Jesus' life by praying along with this recording of the Rosary.
