The background of the entire page is a warm, textured orange-red color. It is decorated with various autumn-themed elements: several maple leaves in shades of red, orange, and brown are scattered throughout. At the top, there are dark branches with clusters of small, round, dark berries, possibly haws or hickories. The text is centered and reads:

This movie tells the life story of John XXIII from his youth through his young priesthood, episcopacy, life as cardinal, and eventually his life as pope. Elected supposedly as an "interim Pope" who would just keep the status quo and listen to the advisers around him, John XXIII proved to be his own man when he surprised the Church and world by calling for the Second Vatican Council.

The 13th Day

In a world torn apart by persecution, war, and oppression, three children in Fatima were chosen by God to offer an urgent message of hope to the world. Based on the memoirs of the oldest seer, Lucia Santos, The 13th Day dramatizes the true story of three young shepherds who experienced six apparitions of Our Lady, which culminated in the final prophesied miracle on October 13.
