It's Never Too Late

Although the Annual Catholic Appeal (ACA) has become a particular way to undertake the Lenten practice of almsgiving, the needs of the ministerial church of the diocese can always use the help of everyone regardless of how large or small the offering. The ordinary pledge period has ended but for those who have not been able to make a gift to the appeal and have discovered there is more in the wallet or purse, it really is never too late.

One of the immediate needs which cannot wait for the five-year redemption of the Living Christ campaign is our magnificent cathedral, one of the finest cathedrals in America. Thankfully, the construction of the building prevents a lot of damage from getting into the worship space but the photo here shows what has been happening "behind the scenes." I took this in May while there for Confirmation.

Even if you cannot undertake support of the ministries of the diocese, don't forget that prayer works miracles. The picture here is of some of the many prayer requests which are submitted as part of the

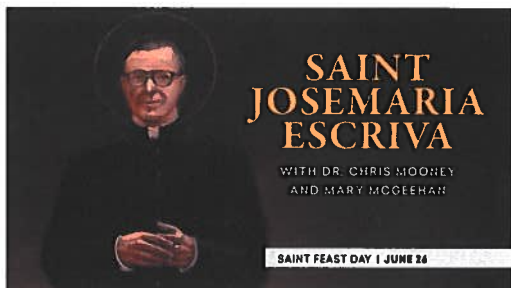

ACA. These are in the chapel at the Pastoral Center and very Friday morning I go through the cards and offer Mass for the intentions sent in by men and women all across the diocese.

Please give prayer thought to the ACA.

Kilt Suppliers

Got Kilt (gotkilt.com) – located in Frankenmuth they have a wide variety of clans and counties in stock. They can custom order some county kilts and can have the pleats of utility kilts (generally black denim when hanging closed) in any desired tartan clan or county custom made. Prices for in stock are around \$69.00 but you can often find a nice acrylic for \$58.00 if you shop in the store.

Atlanta Kilts (atlantakilts.com) – have a variety of rental and made to order kilts in most counties and clans. Made to order begin around \$89.00. Some used rentals are sell for around \$49.00. Notre Dame fans might want to get one like the pipers wear before football games in South bend. It's a high end tartan, though.

Men Kilts (menkilts.com) – a more limited variety although proud Americans might want to check out the flag themed utility kilt at \$79.00.

Super Kilts (superkilts.com) can special order any county or clan from their factory in Scotland around \$250.00 because they're genuine wool.

DNKE (damnnearkitlem.com) has a variety of traditional kilts starting at \$69.00. The *Stowaway*, which is a utility kilt in brown denim is \$99.00. It's a good choice for those who don't want a Sporrans or who prefer pockets. It has six.

Amazon (amazon.com) Sell a number of different makers, beginning at \$24.00.

The "other" includes:

Knee length stockings, usually white wool.
