Dear People of God,

The founders understood that the exercise of rights is constrained at different levels. The basic level is that of the person who chooses to limit the use of real rights for the benefit of the larger whole of the social entity to which he or she belongs. All of us are part of something bigger than the self and the structures around us demand behaviors which are constructive, not destructive, of the community. For example, my right to life includes the right to food but I constrain my right by not breaking into the House of Meats to help myself to the biggest steak in the display case. At this level we're talking basic moral values of right and wrong.

The second level for most of us is our faith; we belong to a Church which has expectations that constrain our exercise of rights. Thus I don't break into the local WalMart and steal the biggest steak in the display case because the Church asks me not to. However, the third level also steps in here because the society makes laws which constrain my right to break into the Kroger Store to steal the biggest steak in the display case and attaches a stiff penalty if I do it anyway.

Keep in mind that all of our genuine rights, the ones our creator endowed us with, are there for some purpose which reflects the overall purpose of humanity which can be defined as "stewarding the whole of creation" or "knowing, loving and serving our God." The understanding of our participation in humanity provides an overarching purpose which the founders briefly outlined in the preamble: we human beings are to do what the preamble says we will do.

So what does all of this have to do with reproductive rights? A lot. I remind you that there is a very real reproductive right. It is a human right. It is universal because everyone has it regardless of age, gender, religion, race, ethnicity or nationality. However, it exists within the framework of the larger sense of humanity forming that "more perfect Union" which the founders wanted us to do here in the United States. Exercising a right may demand (not suggest) that we constrain its exercise in order to comply with the social contract which we agree to by being citizens of the United States. Even beyond that, we may be required to constrain the exercise of the reproductive right because we belong to an ecclesial community which also has a constitution (*Gaudium et spes* and *Lumen gentium* should you wish to peruse them). Yes, we have a right to what the Church refers to as acts *per se* apt to the generation and education of offspring; however, the exercise of the reproductive right should always be undertaken with respect to the purpose of the right.

Our Church teaches that the exercise of the reproductive right has as its purpose the "generation and education of offspring," and these are the consequences and obligations which are essential elements of the right itself whether somebody belongs to the Church or not. The reproductive right should not be exercised if and when the human person, whether in the Church or in the State, is not fully prepared to accept the consequences and the obligations. Anything less damages the social system of which we form a part. This invites further consideration of abortion which I'll specifically examine next week.

Msgr. Chris

The Celebration of Sacraments

Infant Baptism: The Sacrament of Baptism is regularly celebrated on Sunday during or after the Eucharistic Liturgy. Registered parishioners are asked to arrange for the Baptismal Preparation Class and the Liturgical Celebration by calling the Parish Office.

Rite of Christian Initiation of Adults: RCIA is the process of growing in your faith and love of God. Weekly gatherings take place from September until Easter. If you are interested in learning about Catholicism and joining us please call Deacon Tom at the rectory.

Penance: The Sacrament of Penance is celebrated at 3:30 p.m. on Saturday at IC, 9:30 a.m. at HSP and 10:30 a.m. IC every Sunday or by appointment.

Matrimony: Anyone planning to be married must contact the parish at least six months in advance. The exact date and time of your wedding should not be determined until after consultation with a priest or deacon. If either party has previously been civilly or religiously married, the Presider is not permitted to set a date for the wedding without resolving the previous marriage.

Pastoral Care of the Sick: When a parishioner is admitted to the hospital, nursing home, or confined to home because of age or infirmity, please call the Parish Office. Parishioners are ready to visit and to bring Holy Communion. When one is seriously ill, the healing Presence of the Lord should be requested in the Sacrament of the Sick.

In the event that you are in need of a priest or deacon and there is no one in the office: Please try the emergency number at 419-243-6031 and leave a message with your phone number and your call will be returned as soon as possible.

Welcome Visitors

We would like to welcome our visitors to Historic St. Patrick. If you are interested in becoming a parishioner, please call the parish office at 419-243-6452, ext. 3 **or fill out the registration forms in the back of church or on the web-site and return to the parish office.**

travels to Monsignor, Rusty, and all the "Irish" folks traveling with Larry Minor to Ireland. May they have a safe and enjoyable trip, filled with wonderful experiences and cherished memories. May the road rise up to meet them, the wind be always at their back, and may they feel the warmth of the sun and gentle rains as they explore the Emerald Isle.
