## John XXIII: The Pope of Peace

This movie tells the life story of John XXIII from his youth through his young priesthood, episcopacy, life as cardinal, and eventually his life as pope. Elected supposedly as an "interim Pope" who would just keep the status quo and listen to the advisers around him, John XXIII proved to be his own man when he surprised the Church and world by calling for the Second Vatican Council.

## Father Elijah: An Apocalypse by Michael D. O'Brien

This audiobook explores the state of the world and the faith through the story of Father Elijah, a Carmelite priest sent on a mission for the Vatican that leads to crises and conflicts ultimately affecting the fate of the Church.
