The Bible and the Church Fathers

As Christians, we should want to know our family tree. We should want to know who has gone before us in the Faith, where they came from, and what they believed. We should want to know our history.

In twelve beautifully produced lesson in *The Bible and the Church Fathers* study, you'll learn who the Early Church Fathers were and how they shaped the way we read Scripture.

The Bible and the Church Fathers will teach you what you need to know about the Fathers' role in how the Bible took form. You'll learn powerful tools for reading Scripture, and you'll understand its relationship to Tradition and—in particular—to the Sacraments. What's more, you'll recognize the powerful effect of Scripture on the Church Fathers. For them, this was no academic pursuit. Their love of God's Word transformed their lives—just as it has the power to transform ours today.

Mother Teresa: No Greater Love

Mother Teresa: No Greater Love is a soaring tribute to a spiritual icon, a powerful witness of authentic Christian charity, and a guidepost for all who seek hope in our turbulent times: Mother Teresa of Calcutta. This film reveals not just who Mother Teresa was, but how her singular vision to serve Christ in the poor continues to be realized through the Missionaries of Charity today.

Pope Saint Gregory the Great | Catholic Saints

In the history of the Church, there are less than five popes esteemed with the title "the Great." One of the lesser known members of this impressive group is Pope St. Gregory the Great. Gregory is known for his prolific writing, his radical humility, his emphasis on missions, and his dedication to almsgiving. Enjoy this discussion between Dr. Tim Gray and Dr. John Sehorn.

Mother Teresa

See Mother Teresa in the slums of Calcutta as she mingled closely with her people, dispensing help, joy, and smiles to everyone in this moving film.
