The Bible and the Church Fathers

As Christians, we should want to know our family tree. We should want to know who has gone before us in the Faith, where they came from, and what they believed. We should want to know our history.

In twelve beautifully produced lesson in *The Bible and the Church Fathers* study, you'll learn who the Early Church Fathers were and how they shaped the way we read Scripture.

The Bible and the Church Fathers will teach you what you need to know about the Fathers' role in how the Bible took form. You'll learn powerful tools for reading Scripture, and you'll understand its relationship to Tradition and—in particular—to the Sacraments. What's more, you'll recognize the powerful effect of Scripture on the Church Fathers. For them, this was no academic pursuit. Their love of God's Word transformed their lives—just as it has the power to transform ours today.

John XXIII: The Pope of Peace

This movie tells the life story of John XXIII from his youth through his young priesthood, episcopacy, life as cardinal, and eventually his life as pope. Elected supposedly as an "interim Pope" who would just keep the status quo and listen to the advisers around him, John XXIII proved to be his own man when he surprised the Church and world by calling for the Second Vatican Council.

The Joyful Mysteries

St. Padre Pio said, "The Rosary is the 'weapon' for these times." This incredible film series takes viewers right to the Holy Land, where these Mysteries actually happened, encouraging deeper reflection and meditation on them.

Divine Mercy with Fr. Michael Gaitley

Renowned speaker and author Fr. Michael Gaitley tells the dramatic history of God's love and mercy as interwoven through the transformative message of St. Faustina, the miraculous appearance of Mary at Fatima, the witness of Maximilian Kolbe, and the world-changing papacy of Pope St. John Paul II.
